

TOOL BITS

- HSS SQUARE
- HSS CO SQUARE
- ROUND
- BEVEL

TOOL BITS

GROUP	TOOLBITS	
Surface Finish	Bright	Bright
Material	HSS	HSS-CO
Shape	Square/Round	Square/Bevel
Application	HSS- Recommended for turning or machining of low alloy and free machining steels and most low ferrous materials.	M42- Able to withstand high cutting speeds and are especially suited to production turning of high speed and other materials.
